Summer Activity Guide 2018
Cache & Box Elder Counties
Why Are Summer Activities Important?

Seventy-six percent of all Utah school age children 5-12 years old have parents in the work force, creating the potential for many children to be left unattended. Many children are not prepared to be left home alone. Children in self-care are more likely to engage in risky behaviors, be truant from school, experience stress, have poor grades and abuse substances. They are susceptible to feelings of loneliness, fear and boredom.

Summer activities are a wonderful way to offer fun, constructive activities to occupy your children’s time. Summer activities can give your children learning opportunities that not only help to ease their boredom, but can also help them become well-rounded, socially capable adults.

We, at Care About Childcare - USU, have gathered this list of possible summer activities that may be of interest to you and your children. We hope that you will take the time to talk to your children and help them choose the activities that are best suited to their interests and your needs. Please let us know if we can be of any further service to you.
What? Youth: Cache Makers is a nonprofit that works with 5-19 year olds who like to make stuff and try new things related to Science, Technology, Engineering, Art, and Math (STEAM).
Adults: Volunteers can lead groups or help out around the makerspace.
Email coordinator@cachemakers.org if you want to get involved!

When? After school groups meet every week for 2 hours. Saturdays are open for projects.
In the summer we have STEAM camps!
WE ARE MOVING to Bridgerland Technical College at 1410 N. 1000 W.
Signup for our newsletter by clicking "Get Involved" in the menu on our site to get info about our new programs in 2018!

Email: info@gsutah.org
Website: www.gsutah.org

At Girl Scouts, your girl will unleash her inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™!

How? Through the Girl Scout Leadership Experience—a collection of engaging, challenging, and fun activities like earning badges, going on awesome trips, selling cookies, exploring science, getting outdoors, and doing community service projects.

At Girl Scouts, she’ll get to lead her own adventure (it’s her world!) and team up with other girls in an all-girl environment to choose the exciting, hands-on activities that interest her most. Along the way, she’ll gain important skills in four areas that form the foundation of the Girl Scout Leadership Experience:

- Science, technology, engineering and math (STEM)
- Outdoors
- Life Skills
- Entrepreneurship

The Result? A Lifetime of Leadership!

In fact, being a Girl Scout helps girls thrive in five key ways. As a Girl Scout, she:

- Develops a strong sense of self
- Displays positive values
- Seeks challenges and learns from setbacks
- Forms and maintains healthy relationships
- Learns to identify and solve problems in her community

Delivering Fun with Purpose
Girl Scouts of Cache Valley - Cont’d -

To bring the Girl Scout Leadership Experience to life, activities are led by girls themselves, feature cooperative learning and highlight learning by doing. Girls come up with their own ideas, build teams and experience the joy of making a positive impact. At Girl Scouts, she will:

Discover
Find out who she is, what she cares about, and what her talents are.

Connect.
Collaborate with other people, both locally and globally, to learn from others and expand her horizons.

Take Action.
Do something to make the world a better place.

☆ The First Tee Youth Golf

The First Tee of Utah Logan River Golf Course chapter offers an educational golf program to all youth ages 7 to 18, regardless of background or previous experience.

The First Tee has established NINE CORE VALUES that represent some of the many inherently positive values connected with the game of golf: honesty, sportsmanship, confidence, perseverance, judgement, integrity, respect, responsibility, and courtesy.

What about golf equipment? Access to clubs and balls is provided. No need for special golf attire.
The First Tee Youth Golf - Cont’d –

How do young people progress in the program? Participants move through levels over time (PLAYer, Par, Birdie, Eagle, Ace) that introduce new and more advanced concepts of golf and life skills that help build character on and off the course.

Is there competition and physical activity? Absolutely! Young people can burn up to 800 calories while walking the 9 holes of golf and coaches make lessons competitive and fun.

Date: May 10 – July 12
When: Thursday (Program lasts 10 weeks)
Where: Logan River Golf Course

The My Discovery Destination! Summer session provides a wide variety of activities for kids of all ages. All of the adventures are 100% FREE and are sponsored by local businesses. Some are scheduled on specific days at specified times. Others are out and about in the community at the convenience of the child and parent. Some of the activities are home-based and can be completed whenever it works for the family. Participants can earn prizes and rewards for completing the activities. Each Adventure Sponsor has adventures at 4 different achievement levels: Pre-K, Basic, Super Achiever, and Teen.

Examples of Adventures include:

- Free classes (dance, yoga, karate, music, etc.)
- Workshops (magician's show, make a computer, cake decorating, etc.)
- Experiences at local businesses (tours, honeybee displays, etc.)
- Out and About (bike riding, picnic, flying a kite, etc.)
- Home-based adventures (drawing, writing, organizing your room)

Our Summer Session Theme will be #UseTech4Good.
As kids complete the adventures they will also explore how different industries #UseTech4Good and how technology has changed that industry. They will also have an opportunity to identify how they have, or how they would like to, use technology for good in various aspects of their own lives.

Nature Tales: Join us every Wednesday at 11am for a free, nature-themed story, snack, and activity. Hiking up the nature trail to our Logan Canyon location is a fun way to spend the day! After the program feel free to spend time playing outside in our mud kitchen, explore the engaging exhibits inside, or have a picnic at our riverside picnic area.

Canyon Conversations: A fun way to spend your Friday evening! Come listen to a short presentation themed around Logan Canyon. Topics may include bats, live animal feedings, edible plants, and many more! This is a free, family-friendly activity that will get you excited about exploring Logan Canyon on your own.

Naturalist Hikes: On the 1st Saturday of every month, join a Naturalist Educator for a guided educational hike. Hikes are designed for adults, but families are welcome too! Some example topics may include birds, edible and medicinal plants, or reptiles and amphibians. Hikes will take place from 10am-12pm and will occur at different locations each month.

Canyon Jams Conversations: To connect music lovers with the great outdoors by hosting vibrant live concerts that feature music from “roots” traditions such as folk, blues, and Americana in a picturesque mountain venue. Concerts are held 7pm - 10pm on Fridays or Saturdays.

Connect with us on Facebook or check our website for more information or to register for these fun activities.

Individual Tutoring for Elementary Aged Students
Using a game approach with hands-on practice and use of technology, TIME Clinic tutors focus instruction on the individual needs of the student as determined from diagnostic testing. Tutoring sessions are individual, one-to-one, instruction provided by a specialist in mathematics education. All sessions are held in the Emma Eccles Early Childhood Center at Utah State University and are typically one hour in length. Cost is $35 per session. However, thanks to a generous donation, we will be able to offer tutoring at reduced rates ($5 to $15) to struggling students who qualify for either of the following research projects:

Number Fluency—1st – 4th Grade Students
Students will participate in 20 to 25 one-to-one 45-minute tutoring sessions. Sessions will focus on the deepening of students’ math fact fluency and strengthening their ability to compose and decompose numbers.

Fractions—4th and 5th Grade Students
Students will participate in 8 one-on-one 45-minute tutoring sessions focusing on equivalent fractions and problem solving. Instruction will focus on the use of manipulatives, technology, activities and games designed to strengthen students’ understanding of basic fraction concepts.

For more than 30 years, the Youth Conservatory (YC) has helped parents provide the best for their children by fostering the standards of musical excellence in a learning environment filled with enthusiasm and enjoyment. Founded in 1978, the YC occupies a central role among Cache Valley’s cultural programs for young people.

Each week, more than 200 pianists, ages 6 months–18, of varying abilities and backgrounds, come to the Chase Fine Arts Center for piano lessons and musicianship classes. Our unique program offers 30 - 85 minutes of instruction per week, with affordable tuition rates starting at $35 a month. We invite you to take a moment to learn more about our program and see how the Youth Conservatory could benefit your child and your family.

Visit the James V. Hansen Wildlife Education Center to learn about the birds and habitat of the Great Salt Lake ecosystem through our interactive displays and watch the amazing Wings of Thunder film. This film was produced by the Friends of the Bear River Refuge and takes you on a 27 minute journey through our history and seasons of wildlife. A 1.5 mile walking trail meanders through the wetland habitat just outside the center.

The Wildlife Education Center is open Tuesday to Friday, 8:00 am to 4:00 pm and the 2nd and 4th Saturdays, 10:00 am to 4:00 pm. Our 12-mile Auto Tour Loop is open every day from sunrise to sunset hours are 8:00 am to 4:00 pm Tuesday - Friday; 10:00 am to 4:00 pm on the 2nd and 4th Saturdays of the month, and is closed on Sunday, Monday and Federal holidays. Activities available at Bear River Migratory Bird Refuge include wildlife observation, wildlife photography, environmental education and interpretation, hunting and fishing. The Refuge’s auto tour route is open daylight hour’s year-round, weather and road conditions permitting. The Auto Tour is a 12-mile loop through the heart of the Refuge. The Refuge headquarters and Wildlife Education Center are easy to find. From either the North or South - take exit 363 off of I-15 and drive a short 1/4 mile west to the Refuge entrance. It is 36 miles round-trip from I-15 to visit the Education Center and drive the Auto Tour. Please note: The Auto Tour is one way (counter clockwise). Please be courteous and pull over for others if you are stopped to view or photograph wildlife. There are many designed pull-offs along the route for this reason. There is a security gate at the beginning of the Auto Tour that closes at dusk. If you are leaving in the evening and the gate is already closed, please approach slowly and the gate will open, allowing you to exit.

Refuge Auto Tour Loop Hours:
Sunday through Saturday: Open Sunrise to Sunset
Auto Tour is located 12-mile West of I-15. It is one-way counter clockwise. It is unpaved, but generally in good condition.

Saturday 10am-6pm

The Brigham City Community Swimming Pool located at 720 West Forest Street in Rees Pioneer Park is a popular summer destination. The pool features a 150-foot water slide, two tot slides, two in the water splash features, 2 one-meter diving boards in the diving well, and 50 meter lanes. The pool holds 750,000 gallons of cool inviting water to help beat the heat of summer, sufficient deck space to enjoy the sun, shade structures to cool off under, an easy zero depth entry area with shallow water for wading, and a concession stand for treats, hot dogs, and drinks.

The pool is open on the Saturday and Monday of Memorial Day weekend May 26, 28. Then opens for the season on the first Saturday after school is let out in Box Elder County which this year will be May 26. The last regular season day at the pool is the Saturday before school commences in Box Elder County. We are then open again for one last weekend on the Saturday and Monday of Labor Day weekend.

Swim Lessons, water aerobics, lap swimming and plyometric training are available Monday through Thursday from June 4th to August 25th. Please contact the pool at 435-226-1460 for times and dates. The pool is ADA accessible and has a special "family" change area for those needing it.

Pool and Facility Rental

The pool is available for exclusive use by groups, businesses, and other organizations from 6:30pm to 8:00pm or 8:30 to 10pm Tuesday through Friday in June and 6:30pm to 8:00pm or 8:30 to 10pm Wednesday - Saturday in July and August. The cost for pool rental is $350.00 during the month of June and $400.00 Monday through Thursday and $500.00 Friday and Saturday in July and August.
To reserve the pool call the Recreation office at (435)734-6610.

The museum is home to a permanent exhibition on the history of Brigham City, and five to six temporary historical and fine art exhibitions a year. The outstanding collection covers more than 150 years of the history of Box Elder County with more than 10,000 objects. The growing art collection includes more than 300 pieces by outstanding artists including Florence Ware, David Howell Rosenbaum, E.J. Bird, J.T. Harwood, Mabel Frazer, Russell Case, and more. The Brigham City Museum of Art & History opened in 1970. It is a division of Brigham City Corporation and is also supported by the Box Elder Museum Foundation, Inc., a 501(c) (3) charity. Additional support comes from the Utah Division of Arts & Museums.

Hours: Tuesday - Friday 11 am - 6 pm, Saturday 1 pm - 5 pm

Admission is free.

Group tours are available with advance notice. Please contact us at 435-226-1439 to schedule your school, church, or special group. Children, accompanied by an adult, are welcome. The museum features many interactive elements in the permanent historical exhibition that children (and adults!) can touch and play with. Many of the museum’s temporary exhibitions include interactive elements as well.

Special exhibitions change every four to ten weeks. Don’t wait if you’re planning to see something special!
